

Welcome to NCKC!
January 2009

A message from the club President

It is my pleasure to welcome you to the National Capital Kart Club. Our club boasts a membership of over one hundred racers and is a close-knit community of people sharing a common interest – racing! NCKC is a non-profit organization raising thousands of dollars each year for local charities with the highlight of the year being our annual “Race for the Cure” CF event.

Our youngest racers are only eight years of age and it is incredible to watch these competitors on and off the track as the season progresses. The Novice and Junior classes often provide some of the best races of the season. Safety and respect are always first and foremost and I am very proud of our young members. They are definitely the heart and soul of NCKC.

Senior racers at NCKC are some of the most unique people in racing. I have seldom seen the on track competition and the off track camaraderie anywhere else. These guys and girls definitely know how to put on a race for their legions of fans.

NCKC offers a variety of racing to fit almost every skill and interest level. From the high performance 2 stroke Jr. and Sr. classes to the ultra-close racing 4 stroke Jr. and Sr. classes, there is a class for you! NCKC has registered dealers with vast experience at every event for all your parts and service needs. We pride ourselves on giving you the best racing experience at the best possible value.

NCKC is always looking for new members to continue to grow the sport. It is our goal to make sure new members have all the information that is needed to start their safe racing experience. I was a new member once, and glad I became one!

So, put your tires down and do your helmet up. Let's go racing!

Al Costello
