

## TEST FOR NEW KART RACERS

In order to compete safely in karting, you must be familiar with the rules, especially the competition rules. To ensure that you have read and understand the Sporting Regulations, as they appear in the ASN Canada FIA Karting rulebook, please complete the test given below. Each question has only one correct answer. It should be noted that an "open book" test is acceptable.

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Class: \_\_\_\_\_ Age: \_\_\_\_\_

Club: \_\_\_\_\_

**PLEASE CIRCLE THE BEST ANSWER FOR EACH QUESTION. TAKE AS MUCH TIME AS YOU WISH.** Read the rule book. Send the completed test to your member club executive.

- 1 What personal safety equipment is mandatory?
  - a) Full-face Snell 95, or later, helmet with visor.
  - b) Approved helmet cushion and rib protector, abrasion resistant gloves.
  - c) Approved racing suit, abrasion resistant shoes.
  - d) All of the above.
  
- 2 If your kart slows for any reason, you should signal this to others by doing what?
  - a) Raising both arms.
  - b) Yelling "I'm stopping," loudly and clearly.
  - c) Raising one arm.
  - d) Weaving left to right.
  
- 3 If your kart stops on the course, you should do what?
  - a) Call for help and wait patiently until assistance arrives.
  - b) Quickly get out of the kart and run back to the pits.
  - c) Wave down another competitor to push you back to the pits.
  - d) Raise both hands. Remove kart from track when it is safe to do so.
  
- 4 Match the flag with its meaning, when shown at the Start/Finish by the Starter:

Green	Stop racing and follow instructions of officials.
Yellow	You are disqualified. Pull in to the pits.
Red	Start race. Track is clear for racing.
Checkered	The race is over.
Black	Caution. Slow down. No passing.
Black with Orange Disc	Technical defect. Pull in to the pits.

- 5 Which official may issue penalties during an event?
  - a) Clerk of the Course/Race Director.
  - b) Secretary of the Meeting.
  - c) Steward
  - d) A and C
  
- 6 What will be safety checked each day of an event prior to any on-track activity?
  - a) Helmets, helmet cushions and rib protectors.
  - b) Karts.
  - c) Racing suits, gloves, shoes.
  - d) All of the above.
  
- 7 Which drivers are required to attend the driver's meeting?
  - a) First time drivers only.
  - b) Drivers that did something wrong at the last race.
  - c) Only drivers that are personally invited by the Race Director.
  - d) All drivers.
  
- 8 If you have not given a completed Medical Form to your club, what can you do?
  - a) You cannot race.
  - b) You may race under appeal.
  - c) You can hand in the form later.
  - d) You may write a note explaining that you are in perfect health.
  
- 9 What activities must be completed by all competitors on race-day?
  - a) Signing of waivers
  - b) Registration for the event
  - c) Pre-race inspection.
  - d) All of the above.
  
- 10 After starting a race, there is a yellow flag being waved on one of the corners. What does this mean?
  - a) Caution, no passing and slow down.
  - b) Go faster and pass any karts slower than you.
  - c) The start was not good. Slow down and reform for a restart.
  - d) There is too much passing. Please be careful.
  
- 11 Under what circumstances are verbal and physical abuse allowed?
  - a) If another driver just knocked you out of race.
  - b) You were given a black flag but you did not deserve it.
  - c) None.
  - d) A collision caused damage to your kart.
  
- 12 If contact by another driver knocks you out of a race, you should do what?
  - a) Plan a way to get that driver back.
  - b) Make a verbal inquiry to the Steward or Clerk of the Course to consider a protest.
  - c) Talk to the club President and have the bad driver kicked out of the club.
  - d) Ask the Race Director to give the bad driver a black flag in the next race.

- 13 Who has the responsibility of getting the kart weighed and inspected after a race?
  - a) The driver.
  - b) The President of the club.
  - c) The Technical Director.
  - d) The driver's parent or guardian.
  
- 14 If a blue flag is shown to you, what does this mean?
  - a) You are being warned about rough driving tactics.
  - b) There is oil on the track. Be extra careful.
  - c) You're about to be lapped. Carefully move off the racing line to let karts pass.
  - d) The race is half over.
  
- 15. Which actions are not allowed during the "warm-up" lap(s)?
  - a) Weaving from side to side, or "scrubbing" the tires
  - b) Passing other karts and getting out of your grid position
  - c) None of the above
  - d) A and B
