Subject: Spec tire compound amendment for balance of 2009 season
Date: August 12th, 2009
Ref: NCKC-09-02

Bridgestone have released a new compound to replace the YHC compound which is the spec tire for the 2009 NCKC series. The new compound is YKC.

The following amendments now apply to the 2009 NCKC supplemental rules:

Page 11, section 7 will now read

Tires will now be listed as Bridgestone YHC/YJP/YKP/**YKC**

Page 13, section 9.1 will now read

All four-cycle classes (except Box-Stock) must run Bridgestone YHC/YJP/YKP/**YKC** 4.5 fronts and 6.0 rears. NO EXCEPTIONS.
